

OCHRS Meeting - Memory Training Thursday 5/27/10

Below is the offer Harold extended to the OCHRS group.

For any attendees and their family members signing up for the workshop, they will be extended the corporate group rate of \$249 per person with a free spouse or significant other. The family rate is \$149 and children between the ages of 10-18 are free. If they sign up but don't make the first workshop they will be courtesy transferred to the next workshop in 90 days. We currently have seats still available but workshops normally close out about 3-4 weeks before the workshop date.

Harold has extended the sign up date for your members through June 18th so they may discuss scheduling with family members. Those registering before 6/18/10 at 5:00 pm will receive the \$249.00 price with a free spouse and all children under 18 are free. After Friday the price will remain at \$249.00 based on seat availability but the spouse will be an additional registration at the family rate of \$149.00.

The following guarantee is applicable with the workshop:

-Each attendee will have an increase of 300% or better in memory retention ability.

-Each attendee will be taught 50 mental file folders each for permanent memory recall.

-Each attendee will be taught how to have more effective presentation skills and the ability to study more effectively

-Each attendee will be taught how to have a better name retention ability.

Each attendee will receive a workbook, a lifetime membership. Any Professional Engineer, Architect, or Interior Designer will receive 7 hours of credit for continuing education required by the state for their license. Some states also recognize Insurance and Real Estate. You will need to check your association.

Again thank you for the opportunity to meet with your group.
