

ITT Technical Institute

What is ITT Technical Institute?

ITT Educational Services, Inc. is a leading provider of technology-oriented postsecondary degree programs. The company operates 108 ITT Technical Institutes in 37 states which predominantly provide career-focused, degree programs to approximately 61,000 students. Headquartered in Carmel, Indiana, it has been actively involved in the higher education community in the United States since 1969.

Each ITT Technical Institute is authorized by the state in which it is located and is accredited by the Accrediting Council for Independent Colleges and Schools (ACICS), which is an accrediting agency recognized by the U.S. Department of Education.
